2023 RĒLO AWARDS

On October 6, 2023, YTexas is celebrating its 10-year anniversary. Each year, since 2014, YTexas hosts an annual event to recognize select companies that have relocated to Texas. The event is full of heart-warming stories and executive level networking with CEOs who relocated their company headquarters to Texas.

At our [10th year celebration](#), YTexas will recognize over 250 companies that made the commitment to relocate to Texas since 2013 - including a special recognition to prior year award winners.

This is an invitation-only event hosted at the Live by Loews Hotel in Arlington, Texas. A percentage of event proceeds will fund the YTexas Leadership Academy mentoring Texas students.
